

2024 EVENTS

Sunday Roast:

On April 28th, we'll be serving up Roast Pork from 12pm – 2pm. Bookings are highly recommended for this as we prep based on numbers booked. The roast is priced at \$32pp and there is always a delicious dessert option available to add on for \$12.

Mother's Day Champagne Brunch:

For the fourth year running we will be putting on a Champagne Brunch to celebrate Mum on May 12th. The a la carte menu consists of past and present favourites as well as a couple of new dishes just for the day.

We'll be pouring Champagne by the glass and there will also be a few different cocktails to be enjoyed alongside the meal.

This is always our busiest day of the year and every year we have people calling up the day before desperately looking for a table which we often can't accommodate. If you plan on taking mum to brunch at Café Polo on Mother's Day, please get in touch ASAP to ensure you don't miss out.

Watch this space - Dinner event to be announced:

We plan on hosting a Trust the Chef style dinner towards the end of May. We're currently taking an expression of interest via email and those people will be contacted with the first chance to book before this is promoted to the rest of the mailing list and then finally to social media.

If you'd like to come along to a dinner event at Polo, get in touch and join the mailing list. We anticipate this being a three course dinner priced at \$75pp - \$85pp depending on the menu we finalise.
