

SUNDAY ROAST

We will have to keep you posted on when our next Sunday roast will be held.. Staff shortages and isolations from Covid don't really leave a lot of wiggle room and our chef's just don't have enough hours in the day to manage prep for roasts on top of our usual offering. Join the mailing list and we'll be in touch via email when the date is set for the next roast.

OTHER EVENTS

BURGER WELLINGTON

Burger Wellington runs from August 12th - 31st. We'll be serving up our burger from 11:30am - 2pm on our usual opening days during the course of the festival. This is our busiest time of the year so bookings are highly recommended. The burger will also be available for takeaway which can be ordered by call 04 3807273.

There is a high chance we'll also be open for one or two dinners during the festival but this will be dependent on staffing numbers. If you are interested in coming in for a dinner, join the mailing list so you get notified when these are happening.
