HopDogs 2024: May 17-26

From May 17th - 26th there will be eateries all around the capital serving up hotdogs as part of the annual HopDogs festival. We've been matched up with Fork and Brewer so will be serving up the following hotdogs alongside their black and white lager named "Otto" after the brewery dog/brewing assistant.

Zippy: Pork & fennel corn dog with yellow curry sauce & apricot chutney.

Bungle: Beef, cheese & jalapeno sausage with fried peppers & onions, beer cheese sauce & crispy potatoes.

Both hotdogs will be available for both dine in and takeaway from 11:30am unless the kitchen is ready to go earlier.

Sunday Roast:

The date for our next Sunday Roast is yet to be set. Keep an eye out on social media or better yet, join the mailing list and to be in the know before anyone else.

Trust the Chef Dinner, May 24th (FULLY BOOKED, join the waitlist)

Our next dinner event will be a shared style Trust the Chef dinner priced at \$89pp. We are able to cater to vegetarians as long as this is mentioned at the time of booking but all other dietary requirements will need to be discussed with us before hand.
